A Message from Mark S. Earley, Supervisor of Elections

VOTING SAFELY DURING A PANDEMIC

We are living in unprecedented times. Not since the Spanish Flu epidemic of a century ago has our nation experienced a public health emergency of this magnitude. And, we have already seen the disruptive effects that COVID-19 is having on elections across our nation. As your Supervisor of Elections, my role is to ensure you have every opportunity to cast a ballot

regardless of whatever may be affecting our nation.

To that end, my office is taking active measures in accordance with Centers for Disease Control and Prevention (CDC) guidelines to ensure that the pandemic will only minimally impact your ability to vote in Leon County. We are preparing our Early Voting sites and Election Day polling places by training our poll workers to follow public health guidelines, supplying hand sanitizer and disinfectant, and changing polling room layouts to encourage social distancing. For your safety and the safety of our poll workers, we will be wearing masks and face shields. We have also extended Early Voting in the Primary Election from 9 days to 14 days, the maximum amount available under Florida law.

To help ensure that you can vote safely, I encourage you to consider the following options. First, I recommend that you request a Vote-by-Mail ballot as soon as possible. Voting by mail is a secure, trusted, and legal way to vote for all Florida voters. Each election, millions of voters cast their ballots by mail, including myself. Voting by mail allows you to practice

social distancing, which is critical to slowing the spread of coronavirus. Importantly, if you request a mail ballot, you can change your mind and vote at the polls instead if you prefer. Think of your Vote-by-Mail ballot as voting insurance — it's there in case you need it. But, you must request it first.

Second, if you would like to vote in person, consider voting early. We are extending Early Voting across two weeks, so please don't wait until the last few days when lines and crowds will be more likely.

Finally, if you decide to wait until Election Day to vote, please check our website LeonVotes.gov for any last minute changes that might affect your ability to vote at your normal polling place. The uncertain nature of the pandemic makes it more important than ever to rely on [#TrustedInfo2020](https://twitter.com/TrustedInfo2020) such as that available on our website.

If you do choose to vote in person, please wear a mask at the polls, regardless of what you do anywhere else. Poll workers are your neighbors, and the only reason your polling place is open is because they showed up to protect your right to vote. So, please show them the simple courtesy of wearing a mask while in the polling place.

I hope you find this Election Guide to be a useful resource as you prepare to vote in the upcoming election. Your thoughtful participation in our nation's elections is crucial to its continuing success.

Your vote is your voice.

Primary Election – August 18, 2020

What is the Primary Election?

The Primary Election is held 11 weeks before the General Election. The Primary Election is the means by which political parties nominate their candidates for partisan offices, and it whittles down the field of candidates (or in some instances, actually determines a winner) for nonpartisan and universal primary contests.

Florida is a closed primary state. But, many local offices are nonpartisan, and candidates for those offices often appear on primary election ballots. All voters can vote for nonpartisan candidates in primary elections, but only voters registered with a political party get to choose a party's nominee for a partisan office. This year, **ALL VOTERS** will have something to vote on in the Primary Election.

This year in Leon County, there are two Universal Primary Contests, the Public Defender 2nd Judicial Circuit and the Sheriff, which will appear on all ballots in the August 18 Primary Election. A Universal Primary Contest occurs when all of the candidates for an office have the same party affiliation and the winner of the Primary Election will be elected to office. All voters from any party, including those without party affiliation, are eligible to vote on those contests in the Primary Election.

Verify Your Eligibility to Vote in This Election

If you were registered to vote in Florida by the July 20 registration deadline, you are eligible to vote in the Primary Election. Verify your eligibility for this election using any of the following options:

- Visit [LeonVotes.gov](https://www.LeonVotes.gov), click the Your Voter Info button, and enter your information. Here, you can request a Vote-by-Mail ballot, check the status of your Vote-by-Mail ballot, view your sample ballot, see Early Voting dates and sites and see your Election Day polling place.
- Check your Voter Information Card. Your precinct number is the 4-digit number listed under your name and address on the front of the card. Your polling place and party affiliation are also listed on the card.
- Call our office at (850) 606-8683 Monday through Friday from 8:30 am to 5 pm. We can help you verify your eligibility.

**Your *Election Guide* is printed using soy oil inks
on paper made from sustainably forested trees.**

2 **Early Voting** makes voting in person easy and convenient. Our Early Voting sites are open Monday, August 3, through Sunday, August 16. For your convenience, please don’t wait until the last day of early voting, when lines are more likely to form. See the “Early Voting” section of this guide for details.

3 **Election Day is your *last chance to vote!*** Voting hours are 7 am to 7 pm on Tuesday, August 18, 2020. All voters waiting in line at 7 pm will have the opportunity to vote. You must vote at your assigned polling place, or if required due to the pandemic or other emergency, at an alternative site. Please check for the latest updates before you go to vote. Your polling place is based on your precinct (where you live), both are listed on your Voter Information Card. Look up your polling place at the end of this guide or online at LeonVotes.gov. For assistance, please call our office at (850) 606-8683 Monday through Friday 8:30 am to 5 pm.

Our office and your polling place will be open 7 am to 7 pm on August 18, Election Day. All voters waiting in line at 7 pm will have the opportunity to cast a ballot. **If you decide to wait until Election Day to vote, please check our website LeonVotes.gov for any last minute changes that might affect your ability to vote at your normal polling place.**

Photo and Signature ID

Bring a valid ID to make voting easy!

Voting in person at an Early Voting site or on Election Day requires valid photo and signature ID. The photo and signature can come from a single ID or a combination of IDs from the following list:

- Florida Driver's License
- Florida Identification Card
- US Passport
- Debit or Credit Card
- Military ID
- Student ID
- Retirement Center ID
- Neighborhood Association ID
- Public Assistance ID
- Veteran Health ID issued by the United States Department of Veteran Affairs
- Concealed Weapon / Firearm License issued pursuant to §790.06, F.S.
- Employee ID issued by any branch, department, agency or entity of the Federal Government, the State, a county, or a municipality.

Your Voter Information Card does not count as valid ID to vote. If you are not able to produce proper ID, you can still vote using a Provisional Ballot.

A **Provisional Ballot** is an alternative voting method for a voter whose eligibility is in question or cannot be verified at their polling site. It allows the Supervisor of Elections office to count the voter's ballot after the office determines that the voter is eligible.

Some Provisional Ballot voters may be required to submit additional eligibility documentation to the Supervisor of Elections office by 5 pm Thursday, August 20 for their ballot to be counted.

Voters may track their Provisional Ballot status at LeonVotes.gov or by contacting our office at (850) 606-8683 Monday through Friday from 8:30 am to 5 pm.

Accessible Voting

Voters with disabilities may bring an assistant with them to the polls or ask that poll workers provide assistance. All of our polling places are equipped with an ADA compliant accessible voting device that allows voters with disabilities to vote independently and privately. The accessible voting device is made available upon request.

1. **Request to use the accessible voting device when you check in.**
2. **The poll worker will customize your voting session to fit your needs.**
3. **Follow the instructions as they are presented through the controller or your own accessible device.**
4. **Use the controller or your device to make your selections as you move through the contests on your ballot.**
5. **Review your ballot.** Before you cast your ballot, be sure your ballot reflects your choices.

6. **Print and cast your ballot.** Once you are satisfied with your selections, you will instruct the voting machine to mark your ballot choices and cast your ballot.
