NOTICE OF CHANGE REGARDING LEON COUNTY PRECINCTS AND POLLING PLACES

The Leon County Supervisor of Elections Office has updated precinct lines throughout Leon County so that they are in agreement with recent changes to Florida election law. In addition, the Office updated several polling places due to the new precinct lines and improved access for voters with disabilities. Starting with the 2024 Presidential Preference Primary Election, some voters will have new Election Day polling places. The Elections Office has mailed all affected voters new voter information cards that include updated precinct and polling place information. To confirm your assigned precinct and Election Day polling place, visit LeonVotes.gov and click the "Your Voter Info" button.
