Leon County Supervisor of Elections Announces Start of Early Voting for General Election

Leon County, FL – Mark S. Earley, Supervisor of Elections for Leon County, announces the start of Early Voting for the 2020 General Election. “Beginning on Monday, October 19th, and running through Sunday, November 1st, Leon County voters can cast ballots for the General Election at ten Early Voting locations,” said Supervisor Earley. “We have prepared our Early Voting sites by training our poll workers to follow public health guidelines, changed room layouts to enable social distancing, and supplied hand sanitizer and disinfectant. All poll workers will be wearing masks, and I strongly encourage voters to wear them as well. Please thank your poll workers for their courage in serving during this pandemic by the simple courtesy of wearing a mask.”

The benefits of Early Voting include shorter wait times, more than thirty combined hours of weekend voting, and the flexibility to vote at any Early Voting site in the county. The list of Early Voting hours and locations can be found below, online at www.LeonVotes.gov, and in the Election Guide which was mailed to every eligible voter in the county.
