## Public Notice – Leon County Canvassing Board Activity - 2022 Primary Election Including Logic & Accuracy Testing, Post-Election Audit, and Recounts

The public is invited to witness the following events associated with the August 23, 2022 Primary Election. Events will take place at the Leon County Elections Center at 2990-1 Apalachee Parkway at the dates and times listed below. Please use the Event Entrance facing Apalachee Parkway. Canvassing Board meetings and activity are open to the public. For further information or special accommodations, contact us at (850) 606-8683 or Vote@LeonVotes.gov, or visit LeonVotes.gov. Persons wishing to view the signatures on Vote-by-Mail ballot envelopes and other election materials should contact us at Vote@LeonVotes.gov to schedule a viewing during one of the listed observation periods.

In keeping with Florida Statute, the Leon County Supervisor of Elections Office intends to utilize the state certified Clear Recount/Audit system to conduct post-election audits and any required recounts. As specifically addressed in statute and rule, Leon County Elections staff will scan ballots into the recount/audit tabulation system periodically throughout the election in advance of conducting post-election audits or the calling of any recounts. All scanning into the recount/audit tabulation system will take place during publicly noticed and accessible sessions. If you want to have a formal observer present during this process, then you or an observer you designate must be present at the times listed in the canvassing board activity calendars.

The membership of the County Canvassing Board:
Honorable Augustus D. Aikens Jr., Leon County Court Judge (Chair)
Honorable Brian Welch, Leon County Commissioner
Honorable Mark S. Earley, Supervisor of Elections
Honorable Nina Ashenafi-Richardson, Leon County Court Judge (Alternate)
Mary Ann Lindley, Former Leon County Commissioner (Alternate)

Date	Time	Length	Event	Description
Wed, 07/27	Noon	4 hours	Logic and	Pre-Election Logic and Accuracy Testing for Primary Election. Includes
			Accuracy Test	testing of the voting equipment used to tabulate Vote-by-Mail, Early
				Voting, and Election Day ballots, and recount/audit tabulation system.
