

# WHAT TO EXPECT AT THE POLLS

Follow these steps when you arrive at your Polling Place during Early Voting or on Election Day.  
Ask a Poll Worker for assistance if needed.

## 1. CHECK-IN

Voters must present valid ID with a photo and signature. After verification, voters will sign the Electronic Pollbook and then receive a ballot and privacy folder.

## 2. PRIVACY BOOTHS

In a booth that provides privacy for the voter, voters will make their selections on both sides of the ballot page(s) with the ink pen provided in the booth. Voters may use sample ballots filled out at home for reference.

## 3. REVIEW YOUR BALLOT

Voters are allowed up to 3 tries to properly mark their ballot before casting it into the voting machine. If a mistake is made, the voter may ask for and receive a new ballot.

## 4. OPTICAL SCAN VOTING MACHINE

Voters take their ballot, inside the privacy folder, to the voting machine. Voters then insert the ballot, one page at a time, in the optical scanner in order to cast their ballot. Voters give the empty privacy folder to the Poll Worker at the voting machine and get an "I Voted" sticker.

## ACCESSIBLE VOTING

Each Polling Place will have an ADA compliant voting machine equipped with an accessible controller and earphones. Voters can customize their voting session to enlarge font size, access an audio ballot, and use a personal sip/puff or paddle input device. If you need further assistance, you can bring someone you trust to help you vote, or ask an election worker.

# WHAT TO BRING TO THE POLLS

## ID NEEDED TO VOTE

Voting in person in Florida requires valid ID containing a photo and signature. The photo and signature can come from a single ID or a combination of IDs from the following list:

- Florida Drivers License or Florida ID (as issued by the Department of Highway Safety and Motor Vehicles)
- United States Passport
- Debit or Credit Card
- Military ID
- Student ID
- Retirement Center ID
- Neighborhood Association ID
- Public Assistance ID
- Veteran Health ID issued by the United States Department of Veteran Affairs
- A Concealed Weapon/Firearm License issued pursuant to §790.06, F.S.
- Employee ID issued by any branch, department, agency, or entity of the Federal Government, the state, a county, or a municipality

*Your voter information card does not count as valid ID to vote.*

## WHAT IF I DON'T HAVE ID?

If you are not able to produce proper ID, you will be required to vote a Provisional Ballot.

A Provisional Ballot is a voter protection tool for a voter whose eligibility to vote is uncertain. It allows the Supervisor of Elections office to count the voter's ballot after the office determines that the voter is eligible.

Some Provisional Ballot voters may be required to submit additional eligibility documentation by the second day following the election to the Supervisor of Elections office for their ballot to be counted.

Voters may track their Provisional Ballot status at [LeonVotes.org](http://LeonVotes.org) or by calling our office at (850) 606-8683 Monday - Friday 8:30 am to 5:00 pm.
